Dead Sea Tours – Get a first Hand Experience of This Remarkable Natural Wonder

The lowest point on the earth (431m below sea level) brings tourists remarkable natural splendors, gripping ancient history and state-of-the-art mineral spas that sooth & pamper each part of your body.

Explore the Best Side of Petra on a Guided Tour

Though the city of Petra is an old one, it remained unheard of to the rest of the globe for centuries. It used to be a booming business center between 400 BC and 106 AD and got listed as a UNESCO World Heritage Site in 1985.

Two Day Tour - Best Travelers Choice in the Middle East

This is one of the most affordable tourism offers in Jordan, where we will visit 3 wonderful places and passing through amazing roads in Two-Days Trip...

Starting from Amman toward Petra, and move afterwards toward Wadi Rum, Spend the night, discover the valley next day.

Enjoy a Fully Flexible Day Trip from Amman to Petra

Also identified as the Rose City due to the color of the stone it's engraved from, Petra was established in 312BC as the capital city for the Nabataeans. It stayed under Nabataean rule until 100 AD when the Romans attacked it, and in the twelfth century it was eventually abandoned & left to the native folks.
