Try to get 100% in each of the Pokemon games to unlock the National Dex. Also, take note that the first

two games have a time limit, so play them first and then the remakes (also known as XY, XYZ, ORAS, ORAS 2, ORAS 3, or sequels). There is also a Pokemon Mystery Dungeon that can be unlocked by exploring the National Dex. pokemon light platinum walkthrough pdf 160 I have been trying to get Light Platinum on the 3DS since i got it. I am level 50 and on the second round of the Pokemon Extinguisher event. I am at Blissey (my only pokemon). I am at war against a lvl 12 Beldum, lvl 12 Combee, lvl 8 Miltank, lvl 8 Nincada and lvl 12 Venipede. Venipede is the only pokemon i have seen in my area. I have found a lot of the glitches on the 3DS version and been able to obtain all of the Mystery Gifts. However i am stuck on the second round of the Extinguisher and need to finish it so i can get all of the other mystery gifts. This game is so frustrating. Any help will be greatly appreciated.
