They have been waiting for this moment for a long time and so now they get everything they asked for! The wait has become so exciting for Karina Y107 that she will do anything to make the moment even better. The two of them have known each other for a long time and so she knows exactly what will make him happy. She strips for him, showing off her amazing body for him and she plays with her nice boobs so that he gets a nice view of them. The most important thing is that when he sees this great view, she can see his hard cock getting harder. Karina Y107 starts to rub her wet pussy and before she knows it, she is dripping wet. She wants to make sure that he is hard and is ready to jump in so she keeps on rubbing her pussy until it starts to throb. She then pulls down her panties and she is ready to go. She knows exactly what she wants, so she slowly gets on top of him and sits on his cock. He lies on the bed and she is on top of him, stroking him with her hand as she rides him. She moans with pleasure and once she is about to reach her climax, she stands up and asks him to cum on her pussy so that they can go to the bathroom together. She keeps on rubbing her wet pussy until she can't hold back and she wants to cum. She positions herself with her legs spread apart and she screams out as she orgasms hard on his cock. She takes her pants off and she loves to rub her wet cunt with her fingers. She wants his cum all over her wet pussy and that's exactly what she gets. She covers herself in his cum

and takes a big sigh of relief that everything is over now. So, what are you waiting for?
