This article will introduce to you how to use Flip4Mac to convert PowerPoint to video format, with this software, you can edit PowerPoint slides as you want and upload to YouTube, other popular video sites, directly with our software. Then you can watch your PowerPoint presentation video on your iPhone, iPad or other smartphones/tablets or computers, you can also play this PowerPoint on TV with this software, you can also edit PowerPoint slides as you want. This software is easy-to-use and very powerful. After you complete the installation of the software, please follow the instruction to learn how to use Flip4Mac to convert PowerPoint to video format. Step 1. Import PowerPoint files to Flip4Mac After you download Flip4Mac, launch the software and import your PowerPoint files. Then choose to convert PowerPoint to AVI format, MP4 format or HD video format, the software will detect the format of your PowerPoint files and convert it accordingly. If you like to convert multiple PowerPoint files, you can select the files you want to convert in a batch or select all files in the folder. Step 2. Edit PowerPoint slides and video clips Once all your PowerPoint files are converted to video, you can now freely edit your PowerPoint slides as you want. Select "Edit" in the top menu bar to open the PowerPoint menu, then you can use the "Edit" menu to select the desired PowerPoint slides. Then you can add text, draw, add filters, erase or delete any PowerPoint slides. Flip4Mac will add them to the newly added video clips. Once you finish editing the PowerPoint slides, you can select "Save" to save your changes. The video clips will be generated immediately and will be automatically added to the "Add video clips" section, you can choose to generate a new video clip when you click the "Add video clips" button. If you want to use another video editor to edit the video, you can use the "Create new video" button to import a new video from the Mac's "File" menu, or you can choose to add your own video clips from the "Add video clips

Leawo PowerPoint To Video Pro Crack+ With Registration Code Free [32/64bit] [2022-Latest]
