(Windows, Mac, Other)

Westar's Westar's Natural Gas,
known as Westar, is an energy
company in the United States.

Formed in 1974, the energy
company is now a subsidiary of
Westar Energy, Inc.

headquartered in Midland,
Texas. Westar's headquarters is
still located in Oklahoma City.

History Westar's Natural Gas

(Westar), was formed in 1974 by the merger of Oklahoma City-based Public Service Company of Oklahoma (PSO) and Tulsa-based Tulsa Natural Gas Company. In 1979, Westar became an operating unit of Delta Air Lines (NYSE: DAL) through a public stock offering, and later was renamed Delta Natural Gas (DNG). Westar and Humble Corporation merged operations in 1983, creating

Westar-Humble, with headquarters located in Edmond, Oklahoma. In 1990, Westar-Humble became part of the Enron Corporation as Enron Natural Gas. At various times, Westar was known as Westar Power, Westar Energy, Westar Gas, Westar Natural Gas, Westar Transport, Westar-Humble and Enron Natural Gas (ENGA). The company became a subsidiary of Westar Energy,

Inc. after the merger of Humble
and Westar in June 2001.
