Interactive Entertainment. Announced at 2015 The Game Awards as the next installment in the Mortal Kombat series, the game is scheduled to be released for PC, PlayStation 4 and Xbox One on May 14, 2017 in North America and May 16, 2017 in Europe and Australia respectively. A PlayStation 4 Pro bundle will be made available as a limited edition. Mortal Kombat X has one of the largest development teams ever assembled by NetherRealm Studios, with more than 150 members split between Montreal, New York, and Austin, Texas. Development began in June 2014, and was set to last at least two years, with the game to be released on PlayStation 3, Xbox 360 and Windows after the launch of the PlayStation 4, Xbox One and Windows 8.2. Mortal Kombat X will mark the first major multiplayer game title to be released by NetherRealm Studios, in addition to the company's first cross-platform title. Everytime i dream of those lovely flowers i have this feeling of absolute happiness, i feel a smile on my face when i dream about them. My imagination is full of spring, instead of being gloomy like it usually is i'm able to enjoy the sun, sunshine and flowers more, which is really good cause i think life's not easy for me and that i'm due for some good luck. I feel like when spring comes i'll be able to moe around town without being worried about people looking at me cause
