Carbon emissions from riding a bike vs. driving a car in San Francisco - everybody ===== OllieJones When it says "cycle commuters" in the headline, one wonders if the demographic measure being used is seriously reflective of who has been riding their

bikes in the local environs since the advent of automobiles. Anyway, I do that. Walk, ride a bike, walk. ----- currywurst "At a citywide scale, these trends are exactly what we anticipated. But I wanted to dig a little deeper and see how the numbers played out

“finding your files” game has been updated for your Windows 10 PC.
Where did you leave your file? File Explorer is the place. Use its new
File History feature to catch all the files you need and stay organized. File
History gives you a way to access and restore any file you created or
modified. It takes advantage of Windows 10’s built-in backup feature to
save the files you create or open in File Explorer. The game is free to
download and play, but File History is part of the Windows 10 Insider
program. Only participants in the Windows Insider program will be able
to install the latest updates of the operating system to their PCs. File
History is only one part of the whole Windows 10 File Experience. File
Explorer also has a collection of cards. Card View shows big files in a
small view. Folders can be expanded to see the content of each folder.
Both these features can be done with the keyboard. There’s more to File
Explorer than showing you where your files are. While you’re there, you
can use the Remixer to turn File Explorer into a

This macOS-styled icon set is pure and clean. It is both minimal and bold, and can be put to use in a wide range of apps. Note: The one-time license is enough for one-time use.

New Delhi, August 17 (ANI): While the engagement season for most of us starts at the start of August, for Bollywood stars, they don't start their wedding preparations until the last week of August. And of late, there have been a number of well-known celebs who have tied the knot in the last days of August and this year some of them have made their wedding engagements public for the first time. The Bollywood and English celebrities are not only looking for love but also for a decent and formal partnership, so the entire process of pre-wedding shows in Mumbai is quite a spectacle. This year, a number of well-known stars have publically announced their engagements for the first time in social media. Shraddha Kapoor, Deepika Padukone, Shahid Kapoor, Varun Dhawan, Sonam Kapoor and Ranveer Singh are among those who have taken their engagement ceremonies public. From a simple Q&A to a ceremony, here are some of the most popular engagements of last year.

Celebrating the beautiful game - soccer, football, as they say in England. I am a Melbourne Victory FC supporter, but in Australia we call it A-League, but that's another story. Take a moment and visit my blog- please, feel free to leave a comment!

Tim Cahill He has been criticised by many, especially for Aussie rules, and been in the news for a few controversial comments. If you can come across a footballer who has made news headlines for his or her personalities, or in this case, football, its a little difficult when analyzing players, especially ones whose popularity is on the rise or based around a particular club. Although he has a bad reputation from his comments about Aussie rules, he has done well since becoming a footballer. Hes had some critics for his comments on the game, but he is without a doubt the proud owner of a Sportsman of the year award from the NT, as well as the two previous years, and the three years before that. He has also done well with a lot of money put into his car, which in addition to the trophy itself, includes a folding screen, lounge furniture, TV
